### NEW HAMPSHIRE'S 12<sup>TH</sup> ANNUAL TRANSITION SUMMIT

#### *Breaking Down Barriers and Building Collaboration*

November 27, 2018

Grappone Conference Center | Concord, NH

The only statewide conference for training, collaboration, networking, and information focused exclusively on the transition to life after high school for students with disabilities.

**Featuring keynote speaker Dan Habib,** nationally recognized filmmaker at the University of New Hampshire's Institute on Disability, and the creator of many award-winning documentary films on disability-related topics. Habib will share what he learned about transition across the country

while creating his current documentary, *Intelligent Lives*, which examines our society's narrow perceptions of intelligence.

**Registration available in September!**
